Letter No C53-404/43-44 Dt 23-11-44 from the Dr of P Health stating that Mr Koneri Rao is working in the Vani Vilas water works from 19-9-22 & that Mr Ramachandra Rao from 17th March 1941

14) Submitted with a note as directed in para 1 supra
KKS 24/11

15 One Mr Shankarappa of Mysore petitioned to the Dewan that Messrs Koneri Rao and Ramachandra Rao, Operators in the Vani Vilas Water Works, Mysore may be removed from service as they are suffering from Lucoderma. The Dewan was pleased to minute on the petition as follows -

"Law Secretary for a note"

(Intd) N.M. 19 6 44

Continuation Sheet | File No V 3483 / Current No | of | Page

16 A report was called for from the Director of Public Health The Director has stated that both of them are working as Operators in the Vani Vilas Water Works at Mysore, that Mr Koneri Rao is working there since 19-9-1922 and Mr Ramachandra Rao since 17-3-1941

17 The Director of Public Health also states that, if precaution against sentiment is to be taken and if so ordered, both of them will be transferred to the Public Works Department and others appointed in their places

18 It is however reported that they do not touch the water in the course of their duties Having regard to the fact that they have remained in that place for a pretty long time (Mr. Koneri Rao - 22 years & Mr Ramachandra Rao - 3½ years) the Director of Public Health may be requested to consider the question of transferring them to the K G F. Sanitary Board ~~to save the place~~

19 Another petition dated ~~will be~~ addressed to the Dewan on the same subject has been received ~~here~~ today ~~to himself~~ for disposal

20 For personal orders - respectfully submitted

Lawsey Long 25/11/44

Sentiment has also a part to play but in view of them remaining long in the same place they may be transferred & posted as suggested by the D.P.H.

Ballabrooie,

Bangalore,

5th January 1945

My dear Pulla Reddy,

I am sending the enclosed for favour of disposal If there is any truth in the information given, it is a matter for serious investigation. I think it will be safe to get the men employed in Jewell Filters and other water works medically examined

Yours sincerely,

To
The Hon'ble Mr. Pulla Reddy, Esq., I.C.S.,
Minister for Revenue and Law,
in charge of the current duties
of the Dewan of Mysore,
Bangalore

"G" 3

Subject An English translation of the Petition is put up as directed above. 4 One Mr Shaik Kasim Sahib of Mysore petitioned to the Dewan that Messrs Kotteru Rao and Ramachandra Rao, operators in the Vani Vilas Water works, Mysore, may be removed from service as they are suffering from Lucodarma & the Dewan was pleased to make the following minute on the Petition as follows:- "Law secy for a note"

WD 0726—GPR—2a 000—15.9.44

5 A report was called for from the Dr of P Health. The Dr of P Health has stated that both the appellants are working as operators in the Vani Vilas Water Works at Mysore that Mr Koneswara Rao is working there since 19-9-22 & Mr Ramachandra Rao since 17-3-1941. He has also stated that, if precaution against sentiment is to be taken & if so ordered, both of them would be transferred to the Public works Deptt & others appointed in their places.

6 After obtaining the approval of the Dewan, the Director of P. Health was requested in this office letter No L 5373 dt 4-12-44 that arrangements may be made to transfer them to the P W D.

7 The connected papers are put up

Another memorandum received in this behalf is also put up

10/1 JM

8 An English translation of the petition has been put up as ordered above (vide flags W & X)

9 These were previous petitions on the subject and action has been taken to transfer the two appellants in question, after consulting the Director of Public Health (vide orders in flag X & flag Y)

No L 7017 Dy 13-11-45

Calls for his opinion in the matter
Letter No C53-437 Dy 19-11-45 from the Dr of P. Health furnishing his opinion in the matter

16) The Dr of P Health states that it is better that the officials are transferred as representations from people have been received several times that

i disease from which they are suffering
is considered by the general public as a
loathsome disease.

It is also reported that from a medical
point of view, the disease from which
they are suffering from is a loathsome one
as held with reference to Para 12 supra

[illegible] 18) It is not known whether
these five officers have been got
medically examined and if so what
that report is. Even now the Director
of Public Health is not definite about
the nature of the disease and states that
the general public consider it as a loathsome
disease & that one of its symptoms is
what the officers is suffering from.
If approved, he will be requested to get
have them examined medically & to send
the said medical report forthwith.

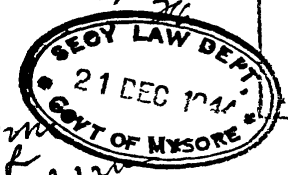
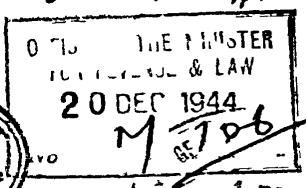
Copy of the above is forwarded with compliments to the Chief Engineer

Sir Mirza Ismail, Esqr., M A , I C S ,

Dewan In Charge of Mysore State,

B A N G A L O R E





Most Respected Sir,

We the Citizens of Mysore City most humbly beg to bring to your kind notice that one Mr. C. Koneri Rao, Chief Operator, Vani Vilas Water Works Mysore has been kept in the same place for the last 23 years . He is one suffering from the d adly disease of leucoderma which is known the r world over as the most terrible one and every one is afraid of Though several representations were made to the higher officers for sime time past no action seems to have been taken by any of them for the simple reason that he has paid them all very heavlily out of the booty he has acquired by his long stay in this placeand due to his influence in earning the favour of the higher officers of his nack in crow catching and battering business.

Another t ing that goes against him is as he is suffering from leucoderma a contagious disease his touch will polute the water supply of the Town in which His Highness himself, is living To verify this we pray that you will be kind enough to cause an enquiry to be made re garding the number of people who are suffering from this diseasein Mysore as compared with other cities of the State

We relia ly learn that the Officers who are immediately abo above him have been putting forth the bogey that the water supply of Mysore will fail if he is transferred because the source of their income will be lost We have been told that your regime in Madras corporation was noted for the anticorruption drive and we pray that you will kindly take immediate action on this man and transfer him to some other place as he has been here since a very long time We need not mention in this connection that in case Mr C.Konery Rao dies(God forbid) does water supply entirely fail

Finally we appeal to you sir to safeguard the health of Mysore City by transferring this man axxx and many will be grateful to you ,

Thanking you sir, in advance for an early action in the matter,

we remain, S

2916, Chamundi Extension,
M y s o r e,
2-1-1945

Sir,

Your Honour has been the Private Secretary to our beloved His Highness the Maharaja of Mysore. I wish to bring to your notice a grievance of the Mysore City water supply

One of the primordial necessities of man is pure water Government are spending a sum of three lakhs of rupees for distributing pure water to the public of the City of Mysore Some of the operators who are employed in the Mysore City ater Supply Department are suffering from leucoderma and leprosy They are Messrs Koneri Rao and Ramachandra Rao, both being Brahmins Leucoderma may not be infectious as per the Western Medical Standard but it has been considered by the Hindus, Mahomedans and other religious people as very loathsome and lepers are farther removed than those who are suffering from any other infectious disease Even the sight of leprosy is abhoring and nauseating should the Water Supply Department, which ought to be the seat of cleanliness, harbour lepers? Simply because these lepers are Brahmins, should their leprosy also be given a premium? The City of Mysore is the capital of our God-fearing and Gracious Highness who actually resides in this City Every one has to use the water contaminated by these lepers Both from the point of view that His Highness has to use this contaminated water and from the point of view of the public also, it is not proper to emply the lepers in the Water Supply Department It is the duty of His Highness as also that of the Government to see that the loyal subjects do not stand to suffer in any way Moreover, these leper-officials alone are being sent as a part of the Water Supply Establishment to places like Karapur, Bandipur, etc , where His Highness often camps for hunting purposes There is also a move to despatch these very leper-officials to the Kheda Camp in connection with the ensuing Viceroy's Visit There is a lot behind this move which it is not necessary to narrate for the present As the Mysore City Water Supply De-

Department is full of Brahmins from top to bottom, your Honour would do well to enquire into this matter of leper-officials Your Honour would be also serving His Highness and His loyal subjects by ordering the removal of the above said lepers from the Mysore City Water Supply Department

I beg to remain,
Sir,
Your most obedient servant,
(Sd) T. Venkataramappa

GOVERNMENT OF MYSORE

DEPARTMENT OF PUBLIC HEALTH

DR P PARTHASARATHY M B B S (Mad)
L R C P & S (Edin) D T M (Lond)
D P H (Camb)
Director of Public Health

Bangalore (S India) dated March 4, 1945

To

The Secretary to Government,
Law Department, Bangalore

Sir,

Transfer of Messrs Koneri Rao and Ramachandra Rao Operators of Vani Vilas Water Works Mysore

With reference to your letter No L 8109 dated 19 2 1945 on the above subject, intimating that Government consider it safe to get the men employed in the Jewell Filters and in the other water works medically examined etc , I have the honour to inform that the officials have since been reverted to the Public Works Department and relieved

Under the circumstances copy of the letter is this day sent to the Chief Engineer for Irrigation in Mysore for needful actionin the matter as desired by Government

I have the honour to be,
Sir,
Your most obedient servant,

Director of Public Health

PAJ

Engineer for Irrigation for information and necessary

action in accordance with the instructions indicated above

By Order,

for Secretary to Government,
Law Department.

D O.No 2586 dated 8-3-1945, from the Executive Engineer, Water Supply Division, Ban alore, to the - District Medical Officer, Bangalore

---

In connection with the arrival report of Mr P. Ramachandra Rao, Operator, posted to Chamaraj sagar Water Works, Thippagondanahalli, I wish to request yo kindly to examine the Operator from the point of view of his being innocuous for duty at the Chamaraj sagar Water Works Station, in view of the report that he is suffering from some skin disease

The matter being very urgent an immediate reply is requested

Mr C Koneri Rao, Operator, who is also due for duty in this office on the 16th instant, may kindly b examined similarly

---

No 2799 dated 8th March 1945

Returned, with compliments
The skin trouble they are suffering from is innocuous for duty

28/4/45 —

To The Chief Engineer for Irrigation

Sir, With reference to your letter No 6258/S
medical examination
dt 9-4-45 re the relief of Messrs Koneru
Rao & Ramachendra Rao, Operators, I am
directed to state that the orders Communicated
in this office letter No L 5109/Med 11-44-1028
19-2-45 were to the effect that the men
employed in the Jewel Filters and in
the other water works may be got
medically examined. I am to add that
first
this order dated the 2nd Feb 1945 has reference
not only to the two officials
referred to above but also to the other
employees (Operators & drivers etc) employed in
the other water works under the control of
the Bureau of Sanitary Engineering.
In view of this fact
I am therefore to request you to take
necessary action in the matter. I have etc
regard to the staff employed
in the other water works as well for
